For further information, write Tri-State Horsemen's Association, 15460 Pioneer Trail, Eden Prairie, MN 55347.

NOTE TO APPROVED SHOWS: This class list is comprised of the classes most wanted by your faithful exhibitors, the members of Tri-State, and is to be used in conjunction with the current "Official Rulebook." Please familiarize yourselves with both publications. When making up your prize list, please bear in mind that "judges must be qualified for each Tri-State approved class and may be selected from listings of approved judges as published by pertinent horse organizations." Any further questions or information should be directed to your Tri-State appointed show advisor or Board Member. Please use exact specifications listed.

USEF recognized shows which require more detailed specifications shall use their current Rule Book. Tri-State shows not recognized by USEF shall incorporate the rules outlined in the USEF Rule Book, refer to their appropriate national organization rules or establish and publish their own criteria. No point credit will be given to classes more restrictive than those listed, unless complementary sections are offered.

ANY CHANGES IN THE CURRENT USEF RULE BOOK AUTOMATICALLY BECOME A PART OF THESE SPECIFICATIONS.

NOTE: Every attempt is made to keep these rules up-to-date. However, each exhibitor should consult the USEF rules regarding their breed or discipline for any recent changes that may be relevant to their competition. A written copy of the rulebook is available or can be read on-line at www.usef.org.

ALL DIVISIONS: Points will be counted for all stake classes unless more restrictive than the classes listed. Points will be counted in any championship class that has been split as long as the sections are complementary (Example: Arabian Western Pleasure-Mares/Geldings, and Arabian Western Pleasure-Stallions.)

POINT SYSTEM: Horses or riders must SHOW and PLACE in the same approved Tri-State class in at LEAST THREE SHOWS UNDER AT LEAST TWO DIFFERENT JUDGES to be eligible for a Championship. (Points are counted as follows:

1st - 20 pts ♦ 2nd - 16 pts ♦ 3rd - 12 pts ♦ 4th - 8 pts ♦ 5th - 4 pts ♦ 6th - 1 pt

If there are fewer than three (3) entries in any given class, half points will be counted for that class: 1st -10 pts., 2nd - 8 pts.

POINTS WILL NOT BE COUNTED UNTIL CURRENT DUES AND NOMINATION FEES ARE PAID. In case of joint ownership. ALL owners of the horse(s) must be members of Tri-State for points to be counted (exceptions: married couples and junior exhibitors) and at least one owner must pay the NOMINATION fee.

Tri-State approval is available for multi-breed shows which offer a minimum of twelve (12) Tri-State classes from the current approved class list. Precise division rating requirements for one-breed affiliated shows are contained in the following approved class list. We encourage shows to meet them.

Academy Division

The Academy Division is only open only to riders who have never competed in a regular horse show in full show attire in their respective division. Riders must be competing on an Academy Horse. A rider who has been shown and judged in Walk/Trot/Canter classes is no longer eligible to compete in Walk/Trot classes.

The Academy Horse is defined as a horse of any breed that is regularly used in a professionally operated lesson program. An Academy horse may be privately owned, however, the horse must earn his living as a lesson horse.

The Academy horse must display safe manners and characteristics desired of a lesson horse. Horses are not to be judged; way of going is not considered. Only the rider is judged in Academy Classes. The horse must be tacked as if giving a riding lesson and the saddle must be consistent with the style of riding. In English Pleasure and Saddle Seat Equitation, full bridles are acceptable but use of the full bridle is not to be considered an advantage by the judge. Horses should be neatly presented. Hoof black is optional.

Full show attire is not allowed including hunt coats, saddle suits, and/or western show outfits. Acceptable attire is appropriate to the seat ridden. Saddle Seat: Jodhpurs or dark long pants, dress shirt, tie, boots or jodhpur boot. Hunt Seat: Breeches, ratcatcher shirt, paddock or tall English riding boots. Western: Jeans, appropriate dress shirt and western boots. Vests, sweater vests or sweaters optional. No sport shoes or derbies allowed. Hair to be neat, up and out of the way of the exhibitor's number. **Protective helmets that meet or exceed ASTM standards are encouraged in all seats.**

Classes are to be worked both ways of the ring at the gaits required for that class. Horses should not be asked to back, to perform an extended trot or hand gallop. Headers are to be allowed in the ring for the lineup in any Academy class at the discretion of the instructor. **Headers are REQUIRED in all Walk/Trot classes.**

Academy classes are divided into pleasure and equitation divisions. Equitation classes are to be judged on basic equitation skills including but not limited to correct diagonals and leads with an emphasis on the rider's ability to present his/her horse to the best of the horses' ability. The impression of efficient, complete control must be demonstrated.

In Academy Pleasure classes, the rider will be judged on his/her ability to control and show the horse including manners and ring performance.

Points will be counted within appropriate age groups. Only classes designated as "Academy" classes count for year-end awards in the Academy division.

TWH-1. Plantation, Lite Shod, Trail Pleasure, All Day Pleasure and Country Pleasure - Open

PLANTATION PLEASURE CLASSES

The Plantation Pleasure Horse should perform the true walking gaits and in the same manner as the Lite Shod Pleasure Horse. The major difference between a Plantation Pleasure Horse and a Lite Shod Pleasure Horse is the larger shoe allowed in the Plantation Pleasure Division which may produce a more animated and powerful appearing front end. The Plantation Pleasure Horse should still perform its gaits effortlessly without the appearance of laboring. Plantation Pleasure Horses are not allowed to cross-enter into Lite Shod Pleasure, Trail Pleasure, Country Pleasure or All Day Pleasure classes, but may show in other open classes for which they qualify.

LITE SHOD PLEASURE CLASSES

The Lite Shod Pleasure Horse should display brilliance and show presence while performing true walking gaits. The horse should be collected and well balanced, in that not one element of the horse should stand out from all other qualities when considering gait, form, rhythm or conformation. Compared to the Trail Pleasure horse, the ideal Lite Shod Pleasure horse should have a higher head carriage and exert more energy through collection while maintaining its walking ability and overall presence. The Lite Shod Pleasure Horse should break higher with its front legs than a Trail Pleasure Horse in all gaits and should not be penalized for this unless it appears unnatural to the horse or out of balance with all other elements of the horse. Form is not to be sacrificed for speed. Manners are paramount for a pleasure horse and should be given serious consideration in judging. The horse should have an alert and willing attitude, be manageable with light to medium rein contact, and must back readily. Any evidence of being behind the bit should be penalized. Lite Shod Pleasure horses cannot cross-enter into Plantation, Trail Pleasure, Country Pleasure or All Day Pleasure classes at the same show.

TRAIL PLEASURE CLASSES

The Trail Pleasure Horse must perform the true walking gaits efficiently and with effortlessness geared toward encouraging stamina and longevity as a pleasant, working saddle horse. The horse should exhibit a true, four beat walking gait with pronounced and cadenced head nod. The horse should be well balanced, in that not one element of the horse should stand out from all other qualities when considering gait, form, rhythm or conformation. A horse exhibiting a crampy or gimmicky way of going must be excused. Animation and action are not desired in a Trail Pleasure Horse; front legs should not break higher than 45 degrees from the vertical. The ideal Trail Pleasure Horse will reach out in front and pull with its shoulders. The front legs can move close to the ground as long as the power is coming from a loose shoulder and the horse has head shake and is square and on four corners. The Trail Pleasure Horse should be on the bit and not strung out in frame. It should carry its head in a natural and relaxed position. The horse must be extremely well mannered, responsive and quiet. The horse must be manageable on a light rein at all gaits. The horse must stand quietly and back readily on command. Trail Pleasure horses may be asked to stop on the rail at any time during the class to demonstrate manners and a willing attitude. The Trail Pleasure Horse's canter should be relaxed and consistent with no sign of effort from the rider. Additionally, if specified on the class list, Trail Pleasure horses will be asked to do a Trail Walk as the last gait called for both ways of the ring. The Trail Walk is a true walk with a loose rein and no appearance of strain on the part of the horse or rider. The appearance should be that of a pleasure riding horse that is relaxed, content and manageable. Trail Pleasure horses are not allowed to show in Lite Shod Pleasure, Plantation Pleasure, Country Pleasure or All Day Pleasure classes at the same show, but they are eligible to show in halter and versatility classes at the same show.

COUNTRY PLEASURE CLASSES

The Country Pleasure horse should display true pleasure qualities, along with the natural gaits of the Tennessee Walking Horse; a Country Pleasure horse should never have a tendency to rack, pace or trot. Front leg animation (lift) is not desirable and head-shake is not required to be as deep as that of the other Walking horse divisions. The Country Pleasure horse should exhibit a balanced, smooth, four-cornered, gliding flat walk and the running walk. The canter should be relaxed and consistent with no sign of effort from the exhibitor. Manners are paramount in this division. The Country Pleasure horse must be ridden with a light or relaxed rein contact. The Country Pleasure horse should stand quietly in the lineup. The Country Pleasure horse may be ridden English or Western (as determined by the class description), but not a combination of both. Riders may use two hands with English or Western, but must then maintain two-hand rein hold throughout duration of class. Cavessons are allowed in English classes only.

ALL DAY PLEASURE CLASSES

The All Day Pleasure division is open to all gaited breeds and may be ridden English or Western (as determined by the class description), but not a combination of both. Neat attire is required and should include a collared shirt, long pants, and heeled boots. Exhibitors wearing show attire shall not be favored by the judge. If an ADP horse is exhibited in Western tack, the rider may use two hands on the reins, but both hands shall remain on the reins the duration of the class. Braided manes or forelocks are not required. These classes will allow up to a 3/4" wide by 3/8" thick shoe and will be judged as Pleasure classes. Classes are judged on the horse/rider team that exhibits a true, natural, smooth ride that one would want to ride "all day." Manners, calmness, obedience, and a smooth, consistent gait are paramount in the All Day Pleasure classes. The All Day Pleasure horse must be ridden with a light or relaxed rein contact. The All Day Pleasure class may be a two or three gaited class. As long as shoeing requirements are met, All Day Pleasure horses are allowed to cross-enter into Country Pleasure, however may not cross-enter into Trail Pleasure, Lite Shod, Plantation Pleasure classes at the same show. (Exception: Spotted Saddle horse classes, Racking horse classes and all Versatility, Model, Showmanship and Equitation).

Required Gaits of All Day Pleasure Classes:

Trail Walk is a true walk with a loose rein and no appearance of strain on the part of the horse or rider. The appearance should be that of a pleasure riding horse that is relaxed, content, and manageable.

Pleasure Gait is to be performed at moderate speed and can be a variation of any saddle horse gait with no preference given to any particular gait over another. The gait should be consistent and balanced and should appear easy and comfortable to ride. Excessive speed is not a desired trait. Manners are paramount in this division. Horses should stand quietly and back readily. Positive credit will be given to horses that display such qualities as responsiveness, steadiness, manners, and traveling on a loose rein.

Canter is on a light rein and of medium to slow speed. Pumping of the reins or anything appearing rushed or out of control shall be severely penalized.

Ranch Horse Division

Minimum of (3) classes recommended for Division Approval. Note to all members: Same general rules apply to this Division as all others regarding dues, nomination fees and Point System. Please see Page 1 for full details.

The Tri-State Association approved Ranch Horse Division is dedicated to promoting the all around working horse, regardless of breed. Approved shows consist of seven classes designed to simulate the type of work typical of what a ranch horse might perform. All classes are open to all breeds, all aged horses and all ages of riders.

MANDATORY RULES FOR RANCH HORSE CLASSES

Working tack shall be used. An excessive show of silver on saddles or bridles is not allowed. All competitors shall wear western clothing. This will include a long sleeved shirt with a collar, western boots with a heel, and a western hat. Management may determine and announce whether long-sleeved shirts or short sleeved shirts are more appropriate for the existing weather.

Severe bits will not be allowed in any class. Prohibited equipment includes wire chin straps, jerk lines, tack collars, and tie downs with metal in contact with the horse's head. Tie downs will only be allowed in the timed event class.

A horse may be shown in a hackamore (bosal) at any age, but only while they are five years old and younger may two hands be used on the reins. Protective boots will be allowed in all performance classes. Split reins are allowed in all classes. Roping reins are allowed in barrel racing and roping classes. A roma rein may be used in any class.

R-1. Ranch Horse Conformation - Mares - Exhibitor 18 & Over

Designed to showcase the conformation necessary for a ranch horse to do the job under saddle. Horses are ridden into the ring for judging, one at a time, lined up, ground tied and stripped. After inspection horses are re-saddled and may be led or ridden out of the ring.

R-2. Ranch Horse Conformation - Mares - Youth Exhibitor 17 & Under

All other specs same as Class #R-1.

R-3. Ranch Horse Conformation - Stallions & Geldings - Exhibitor 18 & Over

R-4. Ranch Horse Conformation - Stallions & Geldings - Youth Exhibitor 17 & Under

Other specs same as class #R-1.

R-5. Ranch Horse Pleasure - Rider 18 & Over

Designed to show a ranch horse that is a pleasure to ride. Horses are required to work both ways in the arena at a walk, jog or pleasure gait and lope. The walk is intended to cover ground. The jog or pleasure gait should be faster than the walk. The extended jog or pleasure gait is truly extended, with longer more ground covering strides. The lope is a true 3 beat gait that is to be extended into a hand gallop, showing ground covering extension without excessive speed. Horses to reverse at the trot or pleasure gait in one direction and reverse at a lope the other direction. Simple or flying lead changed allowed.

R-6. Ranch Horse Pleasure - Youth Rider 17 & Under

Other specs same as Class #R-5.

R-7. Ranch Horse Versatility - Rider 18 & Over

This class features obstacles a ranch horse may encounter in daily work. Pattern and obstacles will be posted prior to class. May include, but not limited to gate work, trailer loading, simple pattern or maneuvers to show handiness, dragging obstacles, use of a rope, checking feet, ground tying, trot-overs (or pleasure gait), jump not to be over 12 inches at its highest point and to be walked or trotted over, moving objects from one area to another, etc. Judge's discretion at number of refusals for an obstacle.

R-8. Ranch Horse Versatility - Youth Rider 17 & Under

Other specs same as Class #R-7

R-9. Working Cow Horse - Rider 18 & Over

This class consists of only cow work. Scoring emphasis shall be based on the horse maintaining control of the cow at all times, exhibiting superior cow sense and natural cow working ability without excessive reining and spurring. Cow work must be completed within two minutes. This class demonstrates a horse's ability to work a single cow and is divided into three parts.

- ♦ Holding or boxing a cow at the end of the arena long enough to show control.
- ♦ Taking the cow down the fence and turning it at least once in each direction.
- ♦ Circling the cow in the middle of the arena once in each direction.

The judge takes into consideration the size of the arena, condition of ground and the disposition and degree of difficulty exhibited by the cattle worked.

- ♦ The contestants shall be penalized for general bad manners such as:
 - Biting, running over cow, hanging up on the fence, failure to hold the cow at the end of the arena, exhausting cow before circling, are all three point (3) deductions.
 - Failure to show sufficient control of cow when circling is two points (2).
 - Running past cow is one point (1) for every cow length.
 - Deliberate spurring or use of romal forward of cinch results in a five point (5) deduction.
- ♦ The following are causes for a zero (0) score:
 - Horse that turns it's tail to the cow.
 - Use of two hands on reins except with junior horses ridden in bosal or snaffle bit.
 - Horse that runs over a cow causing fall of horse and rider.

The following characteristics of the horse are considered faults and will be penalized at discretion of the judge:

- ♦ Exaggerated opening of mouth
- ♦ Nervous throwing of head
- ♦ Lugging on bridle
- ♦ Losing a cow
- ♦ Being unable to finish a pattern because of a bad cow

R-10. Working Cow Horse - Youth Rider 17 & Under

Other specs same as Class #R-9.

R-11. Ranch Cutting - Rider 18 & Over

This class is designed to show a horse's ability to separate a cow from the herd, hold that cow away from the herd and then drive the cow away from the herd and pen it. The three (3) minute time will begin when a rider crosses a time line just prior to entering

the herd. The rider will then separate one cow from the herd and work it for approximately 30 seconds before driving it to the opposite end of the arena and penning it.

The whistle will be blown at the one minute point in the run to let the contestant know to then pen the cow. A rider will be disqualified if he fails to pen the cow at the end of three minutes, or if the cow returns to the herd after it has been clearly separated from the herd. The contestant will have two turn back riders and two herd holders. When the one minute whistle is blown, these helpers will immediately move out of position to the sides of the arena and allow the contestant to drive the cow past them and into the pen. A horse is judged on its ability to handle the cow. Reining of the horse is allowed during this class.

R-12. Ranch Cutting - Youth Rider 17 & Under

Other specs same as Class #R-11.

R-13. Barrel Racing - Rider 18 & Over

This is a timed event. The standard cloverleaf pattern is to be used with the contestant having the option of running to either the left or right barrel first. Two stop watches and a flag man will be used if an electronic eye is unavailable. A five-second penalty will be assessed for each barrel down at the end of the run. Either or both hands may be used on the reins. A contestant is disqualified if the pattern is broken.

R-14. Barrel Racing - Youth Rider 17 & Under

Other specs same as Class #R-13.

R-15. Ranch Reining - Rider 18 & Over

Pattern will be posted in the show office one hour before start of class. Horses are to be judged on their ability to perform five basic sets of maneuvers- rollbacks, circles and lead changes, stopping, backing, and spins. Each of these five parts will receive equal credit of fifteen points.

Rollbacks (15 points): At the end of the stop, the rollback should be a 180-degree turn, where the horse turns and leaves in one motion. Short, choppy rundowns will be penalized, as will bouncy, forced stops and rollbacks that come out at less than 180 degrees.

Circles and lead changes (15 points): To be judged on the horse's ability to be willingly guided without pulling to the inside or to the outside of the circle, and on his ability to demonstrate his willingness to increase or decrease speed, and on his ability to change leads, front and back, smoothly with a minimum of cueing from the rider. In the circle segment, the rider can increase his score by making his circles come together at the "same midpoint of the arena," making large circles the same size on each side, small circles the same size on each side and lead changes at the center of the arena. This will demonstrate control to the judges.

Stopping and backing (15 points): To receive maximum credit, a horse should approach the stop loping or galloping freely, willingly moving forward in a straight line, and gradually increasing his speed. The stop should be straight and square, and give the appearance of stopping because he is trained to stop, not because he is forced to stop. As in the rollback maneuver, maximum credit will be given to the horse that approaches the stop running straight, gradually increasing speed, stops straight and square, hesitates momentarily. Short, choppy, checky-looking rundowns, bouncy stops, head throwing, excessive open mouth and resistance on the part of the horse will be penalized.

Maximum credit will be given to the horse that backs straight and then backs willingly in a straight line for at least fifteen feet. If the horse backs crooked, throws head, opens mouth excessively and shows resistance, the horse will be penalized.

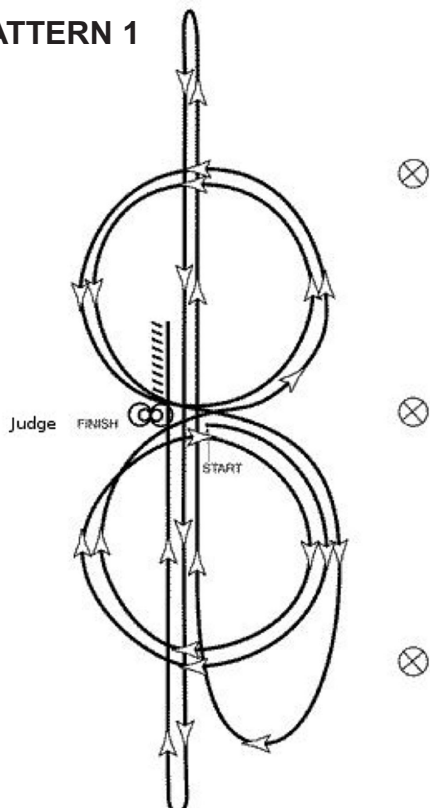

Spins (15 points): In order to receive maximum credit, a horse should do at least two spins in each direction. Credit will be given to the horse that spins flat and smooth, showing no indication of being forced, and demonstrates a willing attitude. Forced speed

should not score higher than moderate willing speed. Horses will be penalized for elevated hoppy, forced, or extremely slow spins. The horse that spins smoothly, with moderate speed, keeping his hind quarters in the same general area, and demonstrating good footwork in front should receive the greatest amount of credit.

R-16. Ranch Reining - Youth Rider 17 & Under
Other specs same as Class #R-15.
